Welcome to the Francotyp-Postalia Group's Website

Dear Visitor,

Every day, companies write letters – even in this day and age of the e-mail. You're bound to know what that means. First you have to print the letter out, then fold it, insert it into an envelope and stick a stamp on it – several minutes before the letter is ready for posting.

So we'd like to invite you to take a look around our website and see just how easy working with mail can be.

The FP Group can offer you exactly what you need – and we know what we are talking about. We are a stock market company operating worldwide, with over 80 years experience dealing with outbound mail. That takes some matching.

So enjoy your visit and if you have any questions just contact us.

Yours sincerely,

Francotyp-Postalia Holding AG
